Enrolment Procedure

The following action steps are needed to start the Bachelor of Counselling programme:

- Determination of **Career Plan** (which direction)
- Deciding on a certain **degree programme**
- **Registration** with Calvary University (\$85)
- Selection of **courses** within the programme
- **Ordering** of first courses, textbooks and CD's

The Career Plan

This is where you decide what your needs are for your career, which skills you require, what degrees you want to earn and which courses you will take.

Degree Programmes

Your career plan consists of degrees in a specific field with selected sub-directions. Within the majors and minors there is a wide range of flexibility.

CU Registration

Knowing which programme you want to study, the next step is to register yourself into a programme in order to receive a qualification upon completion.

Course Selection

The CU Website and the Tuition Centre or Tutor will help to make a meaningful selection of courses, ensuring the correct career outcomes.

Ordering Material

Courses are arranged in a preferred study order. You may change the order. Obtain the preferred material by paying in the required fees as listed.

Complete a Degree:

Bachelor of Counselling

and: Bachelor of Arts in Counselling

The e-learning way

Studying with Calvary University is completely different from how other students learn. A very advanced presentation method, not available at public universities, is followed. Up-to-date text books used by more than 100 million international students which are all published in this millennium, are prescribed. Consider the following:

- A personal tutor, qualified and a Christian
- Technical support through web-sites
- Extra study material on a Course CD
- Superb full-colour International Text Book
- Unequaled secure evaluation system
- Superior, International accreditation standards
- Excellent for personal enrichment or salary

International Accreditation: by Christian Quality Assurance, high quality e-learning, providing for Christian standards as the new dimension educational norm. Best textbooks and unequalled personal support. You may study up to Doctorate. Not suitable for obtaining local bursaries or switching to RSA Universities.

Entry Requirements

Students must have a Matric or equivalent (St 8 and be over 23 years old). Access to the Internet is necessary.

The Three Foundations:

The following action steps are needed to start the Bachelor of Counselling programme:
